- 8.4. Unit Owner's Covenants. Each Unit Owner covenants and agrees as follows:
- A. To perform all maintenance, repairs and replacements that are the Unit Owners' obligations under this Declaration and the Act.
 - B. To pay for all the Unit Owner's utilities, including water and sewer (not provided by a meter serving more than one Unit), electricity, and telephone used within the Unit and all taxes levied against the Unit Owner's Unit.
 - C. Not to make, or cause to be made, any repairs, to any plumbing, heating, ventilation or air conditioning systems located outside the Unit Owner's Unit but required to be maintained by the Unit Owner pursuant to the provisions hereof, except by licensed plumbers or electricians authorized to do such work by the Association or its agent.
 - D. Not to make any addition or alteration to a Unit or to the Common Elements or to the Limited Common Elements or to do any Act that would impair the structural soundness or safety of any part of the Condominium Property. Structural alterations within a Unit may be made only with the written consent of the Association. Any machinery or equipment constructed or installed within any of the Limited Common Elements of a Unit may be modified, altered, replaced and changed without any requirement that the Association consent to the same.
 - E. Except as otherwise provided in Paragraph 8.4D hereof, to make no alterations, additions, improvements, repairs, replacements, or changes to the Common Elements or the Limited Common Elements or to any outside or exterior portion of the Building without the prior written consent of the Association. If consent is granted, the Unit Owner shall use only a licensed contractor who shall comply with the Rules and Regulations with respect to the work which may be adopted by the Association. The Unit Owner shall be liable for all damages to another Unit and to

the Common Elements or Limited Common Elements caused by any contractor employed by such Unit or by the subcontractor or employees of such contractor, whether said damages are caused by negligence, accident or otherwise.

F. To allow the Association, its delegates, agents, or employees at all reasonable times to enter into any Unit or Limited Common Element for the purpose of maintaining, inspecting, repairing, or replacing Common Elements or Limited Common Elements or for repairing, maintaining or replacing any plumbing, heating, ventilation or air conditioning system located within such Unit but serving other parts of the Condominium Property; or to determine, in case of emergency, the circumstances threatening Units or Common Elements or Limited Common Elements and to correct the same; or, to determine compliance with the provisions of the Condominium Documents.

G. To promptly report to the Association any defects or needed repairs for which the Association is responsible.

H. To reimburse the Association for any repairs or replacements which are made necessary because of abuse or negligent use by a Unit Owner of the Condominium Property, the costs of such repair or replacement may be assessed against such Unit Owner.

I. To comply with all of the obligations of a Unit Owner under the Act.

8.5 Contracts for Maintenance. The Association may enter into a contract with any firm, Person or corporation, or may join with other entities in contracting for the maintenance and repair of the Condominium Property, and may delegate to such agent all or any portion of the powers and duties of the Association, except such as are specifically required by the Condominium Documents to have the approval of the Members of the Association.

8.6. Exterior Surface. The Association shall determine the exterior color scheme of the Condominium Property and shall be responsible for the maintenance thereof, except as may be otherwise provided for herein. No Unit Owner shall paint any exterior surface or, add or replace any thing thereon or affix thereto without the written consent of the Association.

ARTICLE IX INSURANCE

9.1. Purchase of Insurance. Commencing not later than the time of the first conveyance of a Unit to a Person other than the Developer, the Association shall maintain insurance upon the Condominium Property to the extent reasonably available as provided for in the Act and as follows.

9.2. Purchase of Policies. The Association shall retain the original of all insurance policies in a place of safe keeping such as a safe or a safety deposit box.

9.3. Copies to Mortgagees. One copy of each insurance policy and of all endorsements thereto shall be furnished by the Association to any first Mortgagee requesting a copy.

9.4. Authorization to do Business. All policies of insurance must be issued by companies specifically authorized by the laws of the State of Alabama to transact such business.

9.5. Coverage. The Association is required to maintain the following insurance coverage:

A. Property and Casualty. The Association must obtain, maintain and pay the premiums upon, as a Common Expense, the property insurance required by the Act and as follows. The type of policy shall be a "master" or "blanket" type policy of property insurance covering all of the Common Elements and Limited Common Elements (except land, excavation, and other items usually excluded from coverage) including fixtures to the extent they are part of the Common Elements and Limited Common Elements of the Condominium Property, building service equipment and supplies and other personal property belonging to the Association. All references herein to a "master" or "blanket" type of policy of property insurance are intended to denote single entry Condominium insurance coverage. The policy shall be in an amount deemed appropriate by the Association but not less than the greater of eighty percent (80%) of the Actual cash value of the insured Property at the time the insurance is purchased or such greater percentage of such Actual cash value as may be necessary to prevent the applicability of any coinsurance provision at any renewal date, exclusive of land, excavation, foundation, and other items normally excluded from property policies. The policy shall include an "Agreed Amount Endorsement" or its equivalent and, if available, an "Inflation Guard Endorsement." If there shall be a construction code provision that requires changes to undamaged portions of the Condominium Property even when only part of the project is destroyed by an insured hazard, the policies shall include construction code endorsements. The property insurance policy shall provide, as a minimum coverage and protection against:

(1) Loss or damage by fire and all other hazards that are normally covered by the standard extended coverage endorsement.

(2) All other perils which are customarily covered with respect to condominiums similar in construction shall be obtained so as to meet the requirements of the Act.

B. Liability Insurance. The Association must obtain, maintain and pay the premiums upon, as a Common Expense, a comprehensive general liability insurance policy, including medical payments insurance, as required by the Act and covering all the Common Elements, commercial space owned and leased by the Association, and public ways of the Condominium. Coverage limits shall be in amounts generally required by private institutional mortgage investors for projects similar in construction, location and use. However, such coverage shall be, if reasonably available, for at least one million dollars (\$1,000,000.00) for bodily injury, including deaths of persons, and property damage arising out of a single occurrence. Coverage under this policy shall include, if reasonably available, without limitation, legal liability of the insured for property damage, bodily injuries and deaths of persons in connection with the operation, maintenance or use of the Common Elements, and legal liability arising out of law suits related to employment contracts and, if applicable, elevator collision and garage keepers liability. If required by any first mortgage holder, and if reasonably available, the policy shall include protection against such other risks as are customarily covered with respect to Condominiums similar in construction, location and use, including but not limited to host

liquor liability, employers liability insurance, contractual and all written contract insurance and comprehensive automobile liability insurance.

C. Flood Insurance. If any part of the Condominium Property shall be deemed to be in a special flood hazard area, as defined by the Federal Emergency Management Agency or other governmental agency, the Association shall, if reasonably available, obtain, maintain, and pay the premiums upon, as a Common Expense, a "master" or "blanket" type of flood insurance policy. The policy shall cover the Common Elements falling within the designated flood hazard area. The insurance shall be in an amount deemed appropriate by the Association, but not less than an amount equal to the lesser of:

- (1) Eighty percent (80%) of the actual cash value of the insured property located within the flood hazard area; or
- (2) The maximum coverage available for the Property under the National Flood Insurance Program. The policy shall be in a form which meets the criterion set forth in the most current guidelines issued on the subject by the Federal Government.

D. Personnel Coverages. Should the Association employ personnel, all coverages required by law, including workman's compensation, shall be obtained so as to meet the requirements of the law.

E. Fidelity Bonds. The Association, if reasonably available, shall obtain, maintain and pay the premiums upon, as a Common Expense, a fidelity bond to protect against loss of money by dishonest Acts on the parts of all officers, directors and employees of the Association and all other persons handling, or responsible for, funds of the Association or funds administered by the Association. Where a management agent has the responsibility for handling or administering funds of the Association, the management agent shall be required to maintain fidelity bond coverage for its officers, employees and agents handling or responsible for funds of, or administered on behalf of, the Association. The fidelity bond shall name the Association as the obligee and shall not be less than the estimated maximum of funds, including reserve funds, in the custody of the Association or the management agent, as the case may be, at any given time during the term of each bond. However, in no event may the aggregate amount of such bonds be less than one hundred and fifty percent (150%) of the estimated annual Common Expenses. The bonds shall contain waivers by the issuers of the bonds of all defenses based upon the exclusion of persons serving without compensation from the definition of the "employees," or similar terms or expressions. The premiums on all bonds required herein to be maintained by the management agent shall be paid by the management agent. The bond shall provide that any first Mortgagee shall receive notice of cancellation or modification of the bond.

F. Other Insurance. The Association shall obtain other insurance required by the Act and shall have authority to obtain such other insurance as it deems desirable, in such amounts, from such sources and in such forms as it deems desirable. The premiums for such insurance shall be a Common Expense.

If the Insurance described above which is required to be maintained is not reasonably available, the Association promptly shall give notice of that fact to be hand delivered or sent prepaid by United States Mail to all Unit Owners.

9.6. Individual Insurance. Nothing contained herein shall be construed to prevent a Unit Owner from obtaining insurance for his own benefit.

9.7. Provisions. Insurance coverage, if reasonably available, must comply with the requirements of the Act and this Declaration and shall in substance and effect:

- A. Provide that the policy shall be primary, even if the Unit Owner has other insurance that covers that same loss, and further provide that the liability of the insurer thereunder shall not be affected by, and that the insurer shall not claim any right of set-off, counterclaim, apportionment, pro-ratio or contribution by reason of any other insurance obtained by or for any Unit Owner.
- B. Contain no provision relieving the insurer from liability for a loss occurring because the hazard to such Building is increased, whether or not within the knowledge or control of the Association, or because of any breach of warranty or condition or any other Act or neglect by the Association or any Unit Owner or any other Persons under either of them.
- C. Provide that such policy may not be canceled or substantially modified and the insurer may not refuse to renew said policy (whether or not requested by the Association) except by the insurer giving at least thirty (30) days prior written notice thereof to the Association, the Unit Owner, each holder of a first mortgage on an individual Unit, and every other Person in interest who shall have requested such notice of the insurer.
- D. Contain a waiver by the insurer of any right of subrogation to any right of the Association, or either against the Unit Owner or lessee of any Unit.
- E. Contain a standard Mortgagee clause which shall:
 - (1) Provide that any reference to a Mortgagee in such policy shall mean and include all holders of mortgages of any Unit, whether or not named herein; and
 - (2) Provide that such insurance as to the interest of any Mortgagee shall not be invalidated by any Act or neglect of the Association or Unit Owners or any Persons under any of them; and
 - (3) Waive any provisions invalidating such Mortgage clause by reason of the failure of the Mortgagee to notify the insurer of any hazardous use or conveyance, any requirement that the Mortgagee pay any premium thereon, and any contribution clause.

- F. Contain a "severability of interest" endorsement which would preclude the insurer from denying liability for any loss occurring because of any Act of negligence by the Association, any Unit Owner or any Occupant of a Unit;
- G. Provide that the coverage afforded by such policies shall not be brought into contribution or proration with any insurance which may be purchased by Unit Owners or their Mortgagees;
- H. Provide that Developer, so long as Developer shall own any Unit, shall be protected by all Association insurance policies as an Owner; and
- I. Be written by reputable companies licensed to do business in the State of Alabama and holding a rating of A+ or better in the financial category as established by A.M. Best's Insurance Reports and, if not available, the best possible or equivalent rating.

9.8. Liabilities and Responsibilities of Unit Owner. A Unit Owner shall be liable for any claim, damage, or judgment entered as a result of the use or operation of his Unit caused by his conduct. Each Unit Owner shall be responsible for obtaining insurance for his own benefit.

9.9. Insurance Premiums. Insurance premiums for policies maintained by the Association shall be paid by the Association as a Common Expense.

9.10. Insurance Trustee: Share of Proceeds. All insurance policies purchased by the Association shall be for the benefit of the Association and the Unit Owners and their Mortgagees as their interest may appear, and shall provide that all proceeds covering Property losses shall be paid to the Association, as Insurance Trustee for each of the Unit Owners in the percentages as established by the Declaration, which said Association, for the purpose of these provisions, is herein referred to as the Insurance Trustee. The duty of the Insurance Trustee shall be to receive such proceeds as are paid and hold the same in trust for the purpose elsewhere stated herein and for the benefit of the Unit Owners and their Mortgagees. The Insurance Trustee shall have the power to adjust all claims arising under insurance policies purchased by the Association; to bring suit thereon in its name and/or in the name of other insured; to deliver releases on payment of claims; to compromise and settled such claims; and otherwise to exercise all the rights, powers, and privileges of the compromise and settle such claims; and otherwise to exercise all the rights, powers, and privileges of the Association and each Unit Owner and any other holder of an insured interest in the Condominium Property under such insurance policies, however, the Actions of the Insurance Trustee shall be subject to the approval of any first Mortgagee if the claim shall involve more than one Unit, and only if one Unit is involved, such Actions shall be subject to approval of any first Mortgagee holding a mortgage and encumbering such Unit.

9.11. Shares of Proceeds. The Association as Insurance Trustee shall receive such insurance proceeds as are paid to it and shall hold the same in trust for the purposes stated herein and for the benefit of the Unit Owners and their Mortgagees in the following shares:

A. Common Elements. An undivided share of the proceeds on account of damage to Common Elements shall be held for each Unit Owner, which such share's portion of the total proceeds being the same percentage as the share of the Common Elements appurtenant to his Unit.

B. Units and Limited Common Elements. Except as provided elsewhere in this Declaration,

(1) When the Condominium Property is to be restored, the proceeds shall be held for the Unit Owners of damaged Units and damaged Limited Common Elements, with the share of each in the total proceeds being in the proportion that the cost of repairing the damage suffered by such Unit Owner bears to the total cost of repair, which cost shall be determined by the Board.

(2) When the Condominium Property is not to be restored, the proceeds shall be held for the Unit Owners in the undivided shares that are the same as their respective shares in the Common Elements.

C. Mortgages. In the event a Mortgagee endorsement has been issued with respect to a Unit, the share of the owner of that Unit shall be held in trust for the Mortgagee and the Unit Owner as their interest may appear; provided, however, that no Mortgagee shall have any right to determine or participate in the determination of whether or not any damaged Property shall be reconstructed or repaired except as may be specifically provided to the contrary elsewhere in this Declaration.

9.12. Distribution of Proceeds. Proceeds of insurance policies received by the Association as Insurance Trustee shall be distributed to or for the benefit of the beneficial Unit Owners:

A. Reconstruction or Repair. First, if the damage for which the proceeds are paid is to be repaired or reconstructed, the proceeds shall be paid to defray the cost thereof. Any proceeds remaining after defraying such costs shall be distributed to the beneficial Unit Owners, with remittances to Unit Owners and Mortgagees being payable jointly to them. This is a covenant for the benefit of any Mortgagee of a Unit and may be enforced by any such Mortgagee.

B. Failure to Repair. If it is determined that the damage for which the proceeds are paid shall not be reconstructed or repaired, the proceeds shall be distributed to the beneficial Unit Owners with remittances to Unit Owners and their Mortgagee being payable jointly to them. This is a covenant for the benefit of any Mortgagee of a Unit and may be enforced by any such Mortgagee.

ARTICLE X RECONSTRUCTION OR REPAIR AFTER CASUALTY

10.1. Determination to Reconstruct or Repair. Any portion of the Condominium for which insurance is required under this Declaration which is damaged or destroyed must be repaired or replaced promptly by the Association unless:

- A. The Condominium is terminated in accordance with the Act.
- B. Repair or replacement would be illegal under any state or local statute or ordinance covering health or safety; or
- C. Eighty percent (80%) in interest of all Unit Owners vote not to rebuild. The cost of repair or replacement of a Common Element in excess of insurance proceeds in reserves is a Common Expense as provided in this Declaration.

10.2. Plans. Any reconstruction or repair must be substantially in accordance with the Act and in substantial accordance with the Plans for the original improvements or as the Condominium Property was last constructed; or if not, then according to Plans approved by the Board of Directors of the Association.

10.3. Responsibility. If the damage is only to those parts of a Unit or Limited Common Elements for which the responsibility of maintenance and repair is that of the Unit Owner, then the Unit Owner shall be responsible for reconstruction and repair after casualty. In all other instances, the responsibility of reconstruction and repair after casualty shall be that of the Association.

10.4. Estimate of Cost. Immediately after a casualty causing damage to the Condominium Property for which the Association has the responsibility of maintenance and repair, the Association shall obtain reliable and detailed estimates of the cost to rebuild or repair.

10.5. Assessments. If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction and repair of the Unit and Limited Common Elements by the Association, Assessments shall be made against the Unit Owners who own the damaged Property or have the exclusive right to use the Limited Common Element attached to his Unit, and against all Unit Owners in the case of damage to common areas and facilities, in sufficient amounts to provide funds to pay the estimated costs. If any time during reconstruction and repair, or upon completion of reconstruction and repair, the funds for the payment of the costs thereof are insufficient, Assessments shall be made against the Unit Owners who own the damaged Unit and have exclusive right to use the Limited Common Elements attached to his Unit, and against all Unit Owners in the case of damage to common areas and facilities in sufficient amounts to provide funds for the payment of such costs. Such Assessments against Unit Owners for reconstruction and/or repair of damage to Units and Limited Common Elements shall be in proportion to the costs of reconstruction and/or repair of damage to common areas and facilities shall be in proportion to the Unit Owners' share in the Common Elements. Assessments for reconstruction and repair may be collected, and the collection enforced, in the same manner as provided for Assessments elsewhere herein.

10.6. Construction Funds. The funds for payment of costs of reconstruction and repair after casualty for which the Association is responsible, which shall consist of proceeds of insurance held by the Association as Insurance Trustee and funds collected by the Association from Assessment against Unit Owners on account of such casualty, shall constitute a construction fund which shall be disbursed in payment of the costs of reconstruction and repair in the following manner and order:

A. Disbursement. The construction fund shall be disbursed in payment of such costs on the order and in the manner provided by the Board of the Association.

B. Unit Owner. If there is a balance of insurance proceeds after the payment of the costs of reconstruction and repair that are the responsibility of the Association, this balance shall be distributed to Unit Owners of damaged Units or damaged Limited Common Elements who are responsible for the reconstruction and repair of the damaged portions of their Units or Limited Common Elements. The distribution to each Unit Owner shall be made in the proportion that the estimated costs of reconstruction and repair of such damage to his Unit or Limited Common Element bears to the total of such estimated costs in all damaged Units and Limited Common Elements. However, no Unit Owner shall be paid an amount in excess of such estimated cost for his Unit or Limited Common Element. If there is a first Mortgagee, the distribution shall be paid to the Unit Owner and to the first Mortgagee jointly.

C. Surplus. It shall be presumed that the first moneys distributed in payment of costs of reconstruction and repair shall be from insurance proceeds. If there is a balance in a construction fund after payment of all costs of the reconstruction and repair for which the fund is established, such balance shall be distributed to the beneficial owners of the fund.

ARTICLE XI EMINENT DOMAIN

11.1. Proceeds. The taking of a portion of a Unit or of the Common Elements by eminent domain shall be deemed, for purposes of determining use of proceeds, to be a casualty and the determination as to whether the Condominium will be reconstructed or repaired or continued after condemnation will be determined in the manner provided for in the Act and under the Article Reconstruction or Repair After Casualty of this Declaration, and the awards for such taking shall be deemed proceeds from insurance on account of the casualty and shall be deposited with the Association as Insurance Trustee. Even though the awards may be payable to a Unit Owner, the Unit Owner shall deposit the awards with the Association as Insurance Trustee; and in the event of failure to do so, in the discretion of the Board of Directors of the Association as Assessment shall be made against a defaulting Unit Owner in the amount of his award, or the amount of such award shall be set off the sums hereafter made payable to such Unit Owner.

11.2. Disbursement of Funds. If the Condominium is terminated after condemnation, the proceeds of the condemnation awards for disbursement purposes will be deemed to be insurance proceeds and shall be owned and distributed in the manner provided in this Declaration for the distribution of insurance proceeds if the Condominium is terminated after damage to the Common Elements. If the Condominium is not terminated after condemnation, the size of the Condominium Property will be reduced and the Property damaged by the taking will be made usable in the manner provided by the Act and as provided below. The proceeds of such award shall be used for these purposes and shall be disbursed in the manner provided for disbursement of funds by the Association after damage to the Common Elements.

11.3. Unit Reduced but Habitable. If the taking reduces the size of a Unit and the remaining portion of the Unit can be made habitable, the award for the taking of a portion of the Unit shall be used for the following purposes in the order stated, and the following changes shall be effected in the Condominium:

- A. Restoration of Unit. The Unit shall be made habitable. If the cost of the restoration exceeds the amount of the award, and the Owner of the Unit does not within a reasonable period of time provide the additional funds required for restoration, such additional funds may, in the discretion of the Board of Directors, be extended for restoration by the Association and be assessed against the Unit Owner as an Assessment.
- B. Distribution of Surplus. The balance of the award, if any, shall be distributed to the owner of the Unit and to any first Mortgagee of a Unit, the remittance being made payable jointly to the Unit Owner and any such first Mortgagee.
- C. Adjustment of Shares in Common Elements. If the floor area of the Unit is reduced by the taking, the percentage representing the share in the Common Elements, the Common Expenses and the Common Surplus appertaining to the Unit shall be reduced in accordance with the Act.

11.4. Unit Made Uninhabitable. If the taking is of the entire Unit, or so reduces the size of the Unit that it cannot be used practically or lawfully for any purpose permitted by the Declaration, the award for the taking of the Unit shall be used for the following purposes in the order stated, and the following changes shall be effected in the Condominium.

- A. Payment of Award. The award shall be paid first to any first Mortgagee in an amount sufficient to pay off its mortgage on such Unit; and then jointly to the Unit Owner and other Mortgagees of the Unit in an amount not to exceed the market value of the Condominium parcel immediately prior to the taking as diminished by any sums from the award previously reserved for any first Mortgagee; and the balance, if any, to the repairing and replacing of the Common Elements damaged by the taking.
- B. Addition to Common Elements. The remaining portion of the Unit, if any, shall become part of the Common Elements and shall be placed in condition for use by all of the Unit Owners in the manner approved by the Board of Directors; provided that if the cost of the work shall exceed the balance of the fund from the award for the taking, the work shall be approved in the manner elsewhere required in this Declaration for further improvement of the Common Elements.
- C. Adjustment of Shares in Common Elements, Common Expenses, and Common Surplus. The shares in the Common Elements, the Common Expenses, and the Common Surplus appurtenant to the Units that continue as part of the Condominium shall be adjusted to distribute the ownership of the other shares among the reduced number of Unit Owners. This adjustment shall be done by restating said share of the continuing Unit Owners as percentages aggregating one hundred percent (100%) so that the shares appurtenant to the Unit of the continuing Owners shall be in the same proportions to each other as before the adjustment.

D. Assessments. If the balance of the award (after payments to the Unit Owner and such Unit Owners' Mortgagees as above provided) for the taking is not sufficient to finance the alteration of the remaining portion of the Unit for use as part of the Common Elements, the additional funds required for such purposes shall be raised by Assessments against all the Unit Owners who will continue as owners of Units after the changes in the Condominium effected by the taking. Such Assessments shall be made in proportion to the shares of those Unit Owners in the Common Elements after the changes effected by the taking.

E. Arbitration. If the market value of a Condominium parcel prior to the taking cannot be determined by agreement between the Unit Owners, Mortgagees of the Unit, and the Association within thirty (30) days after notice by either party, the value shall be determined by arbitration in accordance with the then existing rules of the American Arbitration Association, except that arbitrators shall be two appraisers appointed by the American Arbitration Association who shall base their determination on an average of their appraisals of the Condominium parcels; and a judgment of specific performance on the decision rendered by the arbitrators may be entered into any court of competent jurisdiction. The cost of arbitration proceedings shall be assessed against all Unit Owners prior to the taking in proportion to the shares of the Unit Owners in the Common Elements as they exist prior to the changes effected by the taking.

11.5. Taking of Common Elements. Awards for the taking of Common Elements shall be used to make the remaining portion of the Common Elements usable in the manner approved by the Board of Directors; provided that if the cost of the work shall exceed the balance of the funds from the awards for the taking, the work shall be approved in the manner required elsewhere in this Declaration for further improvement of the Common Elements. The balance of the awards for the taking of the Common Elements, after adjustment of these shares on account of the condemnation, except that if a Condominium parcel is encumbered by a first mortgage, the distribution shall be paid jointly to the Unit Owner and the first Mortgagee of the Condominium parcel.

11.6. Conflict with Act. If there is any conflict with the provisions of this article and the Act, the provisions of the Act shall control.

ARTICLE XII USE RESTRICTIONS

The use of the Condominium Property shall be in accordance with the following provisions as long as the Condominium exists:

12.1 Subdivision of Units. No Unit may be divided or subdivided into a smaller Unit, without the prior written consent of the ARC and/or the Association; provided however that Developer reserves the right to alter the boundaries between Units and to increase or decrease the number of Units so long as the Developer owns the Units so altered. Any change in the boundaries between the Units shall be reflected by recording an amendment to this Declaration and a revision to the condominium plat.

12.2 Common Elements. The Common Elements shall be used only for the purposes for which they are intended in the furnishing of services and facilities for the enjoyment of the personal use of the Owners, their guests and lessees and other authorized occupants of Units. There shall be no obstruction of the Common Elements, nor shall anything be kept or stored on the Common Elements nor shall anything be constructed on or planted in or removed from the Common Elements, nor shall the Common Elements in any other way be altered without the prior written consent of the Association.

12.3 Nuisance. No nuisance shall be allowed upon the Condominium Property or within a Unit, nor any use or practice that is the source of annoyance to Owners or which interferes with the peaceful possession and proper use of the Condominium Property by the Owners. All parts of the Condominium shall be kept in a clean and sanitary condition, and no rubbish, refuse or garbage shall be allowed to accumulate nor any fire hazard allowed to exist.

12.4 Lawful Use. No immoral, improper, offensive or unlawful use shall be made of the Condominium Property or a Unit, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction shall be observed. The responsibility of meeting the requirements of governmental bodies for maintenance, modification or repair of the Condominium Property or a Unit shall be the same as the responsibility for the maintenance and repair of the property concerned.

12.5 Signs. No signs or advertising posters of any kind shall be maintained or permitted on any portion of any Unit, without the express written permission of the Association; provided however, that the Developer (and entities affiliated with the Developer or employed by the Developer to market the Units) may display such signs as it deems necessary and appropriate to promote the development of the Condominium Property and sales of Units, and provided further that one "for rent" or "for sale" sign may be placed on the Unit without permission from the Association.

12.6 Condominium Rules and Regulations. Reasonable rules and regulations concerning the use of Condominium Property may be promulgated and amended from time to time by the Board of Directors of the Association in the manner provided by its Articles of Incorporation and Bylaws.

12.7 Developer's Use. The Developer, its agents or an entity affiliated with the Developer may make such use of the Common Elements and the Units as may facilitate the sale or rental of Units, including, without limitation, showing of the property, maintaining a sales office within a Unit, maintaining a model Unit, and the display of signs and other promotional devices.

12.8 Antennas. No satellite dishes shall be allowed on any Unit more than two (2) feet in diameter or projecting higher than ten (10) feet above the roof line. The satellite dish must not be visible from any street within the Condominium, and the location of such satellite dish must be approved by the ARC. No radio antenna, radio receiver or other similar device or aerial shall be attached to or installed on any Unit or dwelling unless the same is (i) contained entirely with the interior of a building or other structure, (ii) not visible from any street within the Condominium or adjacent Unit or dwelling, and (iii) approved by the ARC. No radio or television signals or other

form of electromagnetic radiation or transmission shall be permitted to originate from any Unit or dwelling which may interfere with the reception of radio or television signals within the Condominium or any other real property situated in close proximity to the Condominium.

12.9 Exterior Lighting. No exterior lighting, including, without limitation, free standing lighting and utility (e.g., flood) lights may be attached to a Unit, Common Element or Limited Common Element without the prior written consent of the Association.

12.10 No Alterations. No alterations or additions may be made any Unit, Common Element or Limited Common Element without the prior written consent of the Association.

12.11 Garages. Garage doors shall be kept closed at all times except when in use. No garage shall be converted to any use other than for the parking of vehicles therein without the prior written consent of the Association.

12.12 Windows, Window Treatments and Doors. Appropriate window treatments shall be used on all windows. Sheets, bed linens, blankets and paper or plastic bags are not appropriate window treatments. Reflective glass shall not be permitted on the exterior of any dwelling. No foil or other reflective materials shall be installed on any windows or used for sun screens, blinds, shades or other purposes. The Association may adopt guidelines for the types of window treatments that are allowed.

12.13 Outdoor Furniture and Patio Accessories.

(a) No furniture, planters or other yard and garden accessories shall be placed, kept, installed, maintained, or located on any Common Element. Any such item placed, kept, installed, maintained, or located on any Unit or Limited Common Elements shall be properly maintained and replaced when worn.

(b) No children's toys, swing sets, basketball goals and other outdoor and recreational equipment and appurtenances shall be allowed to be placed, kept, maintained or located on any Unit, Common Element or Limited Common Element without the prior written consent of the Association.

(c) Barbecue grills or other types of outdoor cooking equipment and apparatus may be located within a Unit or on the Limited Common Element, but shall be prohibited from use within the Common Elements without express written permission of the Association.

12.14 Pets and Animals. No animals, livestock, birds, or poultry of any kind shall be kept, raised, or bred by any Owner upon any Unit or other portion of the Condominium; provided, however, that not more than three (3) dogs or cats (or a combination thereof not to exceed three (3) in number) may be kept and maintained on a Unit so long as they are not kept for breeding or commercial purposes. No pet shall be allowed to make an unreasonable amount of noise or become a nuisance. All such structures or areas for the care, housing, or confinement of any pet shall be located at the rear of the Unit, shall not be visible from any street, and shall be constructed of

materials and of a size approved by the Association. Dogs and cats shall not be allowed to roam unattended within the Condominium. The Association shall have the right from time to time to promulgate rules and regulations governing keeping the pets within the Condominium, including the right to assess fines for violations of such rules and regulations.

12.15 Trash, Rubbish, and Nuisances. Trash, garbage, and any other refuse or waste shall not be kept on any Unit except in sanitary containers or garbage compactor units. Trash cans and containers shall at all times be kept at the rear of or inside the Unit and shall be screened from view from streets and adjacent Units; provided, however, that trash cans and containers can be moved to the front or side yard of any Dwelling on trash collection days for such Unit.

12.16 Recreational Vehicles and Machinery and Equipment. Mobile homes, motor homes, trailers of any kind, campers, vans, motorcycles, motorized carts and all-terrain vehicles, lawn mowers, tractors, tools, construction machinery and equipment of any nature, golf carts, boats and any other type of watercraft, including boat trailers, and any other similar types of vehicles, machinery, or equipment shall not be permitted stored or allowed to remain on any Unit unless the same is placed, stored, and maintained within the garage of such Unit.

12.17 Signage. (a) The Association shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed claim, action, suit, or proceeding, whether civil, criminal, administrative, or investigative, including appeals (other than an action by or in the right of the Association), by reason of the fact that he is or was a Director, officer, employee or agent of the Association, or is or was serving at the request of the Association as a Director, officer, partner, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such claim, action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Association; and, with respect to any criminal action or proceeding, no reasonable cause to believe his conduct was unlawful. The termination of any claim, action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Association, and with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

(b) The Association shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed claim, action or suit by or in the right of the Association to procure a judgment in its favor by reason of the fact that he is or was a Director, officer, employee or agent of the Association, or is or was serving at the request of the Association as a Director, officer, partner, employee, or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Association; provided, however, that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for willful, deliberate, or wanton misconduct in the performance of his duty to the Association unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnity for such

expenses which the court shall deem proper.

(c) To the extent that a Director, officer, employee, or agent of the Association has been successful on the merits or otherwise in the defense of any action, suit, or proceeding referred to in Paragraphs 11(a) and (b) above, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith, notwithstanding that he has not been successful on any other claim, issue or matter in any such action, suit or proceeding.

(d) Any indemnification under Paragraphs 11 (a) and (b) above (unless ordered by a court) shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the Director, officer, employee or agent is proper in the circumstances because he has met the applicable standard of conduct set forth in Paragraphs 11(a) and (b) above. Such determination shall be made (i) by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to or who have been wholly successful on the merits or otherwise with respect to such claim, action, suit, or proceeding, (ii) if such quorum is not obtainable, or, even if obtainable, if a quorum of disinterested Directors so directs, by independent legal counsel in a written opinion or (iii) by a majority vote of the members of the Association.

(e) Expenses (including attorneys' fees) incurred in defending a civil or criminal claim, action, suit, or proceeding may be paid by the Association in advance of the final disposition of such claim, action, suit, or proceeding as authorized in the manner provided in Paragraph 11(d) above upon receipt of an undertaking by or on behalf of the Director, officer, employee or agent to repay such amount if and to the extent that it shall ultimately determine that he is not entitled to be indemnified by the Association as authorized in this Paragraph 11.

(f) The indemnification authorized by this Paragraph 11 shall not be deemed exclusive of and shall be in addition to any other right to which those indemnified may be entitled under any statute, rule of law, provisions of these Articles of Incorporation, Bylaw, agreement, vote of members or disinterested Directors, or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a Director, officer, employee, or agent and shall inure to the benefit of the heirs, executors, and administrators of such a person.

(g) The Association shall have power to purchase and maintain insurance on behalf of any person who is or was a Director, officer, employee or agent of the Association, or is or was serving at the request of the Association as a Director, officer, partner, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise against any liability asserted against him and incurred by him in any such capacity or arising out of his status as such, whether or not the Association would have the power to indemnify him against such liability under the provisions of this Paragraph 11.

12. **AMENDMENT.** These Articles may be amended, subject to the terms and conditions of the Declaration, by the affirmative vote of at least two-thirds (2/3) of the total votes in the Association (i.e., two-thirds (2/3) of all Owners).

13. **INCORPORATION BY REFERENCE.** All of the terms, provisions, definitions, covenants and conditions set forth in the Declaration are hereby expressly incorporated herein by reference as if fully set forth herein. ARTICLE V: MAINTENANCE AND REPAIRS

Section 1. *Access.* Any officer of the Association, or any agent of the Board of Directors, shall have the irrevocable right to have access to each Unit from time to time during reasonable hours that may be necessary for the inspection, maintenance, repair or replacement of any Common Element therein or accessible therefrom or for making emergency repairs therein to prevent damage to the Common Elements or to another Unit or Units.

OF

DEVONSHIRE, A CONDOMINIUM

This Fifth Amendment to the Declaration of Condominium of Devonshire, A Condominium Inc., an Alabama corporation, hereinafter referred to as the "Developer," for itself, for its successors, grantees, and assigns, the Board of Directors of the Devonshire Condominium Owners' Association, Inc., and the Unit of Owners of Devonshire, A Condominium.

RECITALS

WHEREAS, pursuant to the terms of the Declaration of Condominium of Devonshire, A Condominium, filed of record in Condo Book 8005 at Page 74 in the Office of the Judge of Probate of Lee County, Alabama, as amended (the "Declaration"), the Developer, along with Unit Owners owning no less than two-thirds (2/3) of the Units, can amend the Declaration.

WHEREAS, the Developer and Unit Owners desire to amend the Declaration for the purpose of changing the manner of allocating regular Assessments on the Condominium Property.

NOW THEREFORE, the parties hereby amend the Declaration, as follows:

Section 6.3 is revoked and replaced by the following:

6.3 Share of Common Expenses. Payment of Common Expenses shall be in such amounts and at such times as determined in the Bylaws. Assessments shall be collected by the Association on a monthly basis. No Unit Owner shall be exempt from payment of his or her share of the Common Expenses by waiver or nonuse or non-enjoyment of the Common Elements, or by abandonment of his Unit. Common Expenses shall include, without limitation, expenditures made or liabilities incurred by the Association, together with payments or obligations to reserve accounts. Each Unit Owner shall be assessed and is individually liable for a share of the Common Expenses with said share being approximately the same as the Unit Owner's percentage ownership in the Common Elements but with said share being designated to fall within one of four levels of allocated Assessments with said designation being for both ease of computation and administration as well as in acknowledgment that the Common Expenses which are incurred are not strictly proportional to the size of each Unit in relation to all other Units. Therefore, and for all periods hereafter, the regular Assessments for dues shall be allocated such that Units that do not exceed 2,050 heated and cooled shall pay a monthly Assessment of \$200. And Units that are at least 2,051 and do not exceed 2,450 heated and cooled shall pay \$25 per month more, or \$225. And Units that are at least 2,451 and do not exceed 2,900 heated and cooled shall pay and additional \$25 per month more, or \$250. And Units that exceed 2,901 heated and cooled shall pay and additional \$25 per month more, or

\$275. Any increase or decrease in future annual budgets that necessitates a change in the regular Assessment shall be allocated such that each of the four (4) levels of allocated Assessments are increased or decreased to maintain a constant differential of \$25 between each of the levels. Assessments, and the responsibility therefor, for purposes other than regular Assessments for the purposes of meeting the annual budget are not amended by this provision. Individual Unit Owners are eligible to become members of the Moores Mill Subdivision Homeowners' Association, Inc. (Moore's Mill HOA), through which a Unit Owner would be entitled to use of the Moores Mill Subdivision pool and clubhouse. The Assessment by the Association does not include payment of homeowners' association dues to Moore Mill HOA, therefore any Unit Owner who elects to be a member of the Moores Mill HOA will be personally responsible for paying homeowners' association dues to Moores Mill HOA.

In all other respects, the Declaration remains in full force and effect; and all of the provisions of the Declaration not amended by this amendment or any previous amendment remain binding on all present and future owners of Units in the Condominium. Capitalized terms not defined herein shall have the meaning given said term in the Declaration.

IN WITNESS WHEREOF, the Developer, along with the duly authorized President and Secretary of the Board of Directors of the Devonshire Condominium Owners' Association, Inc., who by their execution hereof do hereby certify that Unit Owners owning no less than 2/3 of the Units in the Condominium have ratified this amendment, have executed this Fifth Amendment to the Declaration of Condominium of Devonshire, A Condominium as of the date first written above.
